

22. BIOGRAD BOAT SHOW

21.-25.10.2020.

Description of the implementation of measures at the show during the Covid-19 pandemic

- In the period from 21 to 25 October 2020, the 22nd Biograd Boat Show will be held in the Marina Kornati, Biograd na Moru.
- The boat show will be held in compliance with all measures and recommendations issued by the Croatian Institute of Public Health to be applied during the COVID-19 pandemic.
- We will also implement a series of safety measures and instructions that will contribute to the creation of a safe environment for participants and visitors.
- Disinfection points, i.e. stands with disinfectants will be installed at all entrances to the boat show halls and in directions that visitors will move. In addition to the disinfection points that have been previously installed in all fixed facilities of the marina, over 20 additional points will be provided.
- The directions of movement through the marina, as well as entrances and exits will be marked. Upon entering the marina, either western or northern entrance, visitors will be registered and their body temperature will be measured.
- All visitors and exhibitors of the boat show will be provided with a disposable medical mask upon entry.
- A systematic control of the number of visitors will be carried out at the northern and western entrances to the Marina Kornati, in order to prevent exceeding the maximum allowed number of persons at the boat show (4 m² per person) at any time. Special attention will be paid to the total number of people in the hall at the entrances to the closed halls, considering the recommended instructions. The control will be conducted by the security service Mediteran Security.
- Daily disinfection of halls and other fixed facilities using disinfectant having a high antimicrobial efficiency will be carried out by the external service Pecto d.o.o.
- All staff participating in the organization of events in the marina will comply with the measures prescribed by the CIPH and shall wear protective equipment accordingly.
- In order to be better informed, informative COVID-19 materials will be posted in visible places.
